

Golden mazes

Here is a maze of rooms.

FLASH INTERACTIVE

Each room contains a bag of gold coins.

The numbers tell you how many gold coins there are in each bag.

You have to find your way through the maze, collecting bags of gold as you go.

You have to try to get as many coins as you can, but you are only allowed to go into each room once.

How many coins can you get?

Investigate for different-sized mazes.
